WHY GREENHOUSE?
Ontario Greenhouse vegetables are vine ripened, hand-picked and available almost year round.

Our controlled greenhouse environment enables us to grow a uniform product that maximizes yield and quality.

WHY ONTARIO GREENHOUSE MARKETERS?
Our marketers sell and distribute Ontario Greenhouse grown vegetables across North America where the majority of markets are within a one-day drive. All marketers have annual food safety audits to ensure the highest quality product is grown and shipped.

All of our marketers are FDA registered and bonded, ensuring on-time delivery of our fresh products with no unnecessary border delays or inspection problems.
